Let's eat in the cafeteria.
Lunch!
Time for Lunch!
Pop

!
You really like lunch, don't you?
Whee!
Hm-?
What's the matter? Aren't you eating?
I'm eating

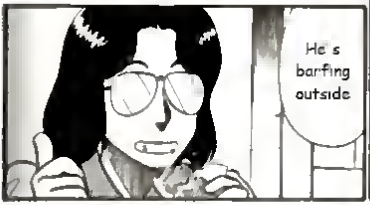
Hey what's wrong with R?

What was that about?
Maybe we shouldn't have forced him to eat?



He's barfing outside

We have to go and check on him!! It would be terrible if he broke!
What did you slip him?
Nothing!!

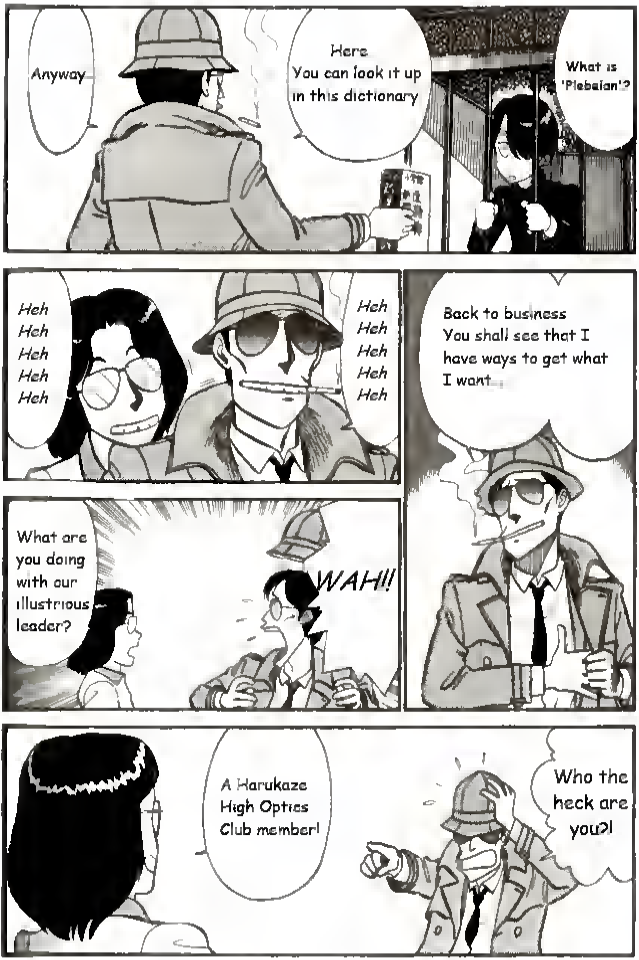
It's been quite a chore observing you.
Which gave me all the more reason to set up this trap
But I'm surprised you fell for it.
This cannot be can it?
You will be punished for abandoning that rice!
Is that so...?
Well, you can keep your plebeian opinions to yourself.
Now, what shall I do with you...



Anyway...
Here
You can look it up in this dictionary
What is 'Plebeian'?
Heh Heh Heh Heh Heh

Back to business
You shall see that I have ways to get what I want
What are you doing with our illustrious leader?
WAH!!
A Harukaze High Optics Club member!
Who the heck are you?!

Okay.
Lunch is ending. Let's go.
I've been captured.
What are you doing?
SFX: Bend
Stop!!
Hey!!
Leggo! I'm with the police!
Hold up, villian!
!
I'm not a villian!

1. belonging or pertaining to...
Huh?

Notes

Title

Not much this time around Just that the title could be a parody of Ace wo Nerae aka Aim for the Ace!

Future chapters might be a bit late I'm starting fall classes soon but I'll still try to keep it up once a month
If I could do it more often I would but I'm only one person I also have one other project on the backburner
but it's not going to interfere with this
